

Quickmount Apple Mac Mini VESA Wall Mount (M4, 2024)

SKU: 104-9158

RackSolutions Quickmount for Apple's Mac Mini M4 provides a simple and discrete solution for mounting your Mac mini to a wall or behind your monitor. Our Apple VESA mount features a minimalist and unique V-shaped design that keeps your Mac Mini safely mounted on the wall or monitor while maintaining a clean and non-intrusive look. This mount is only compatible with the Apple Mac mini (M4, 2024) and Apple Mac mini (M4 Pro, 2024).

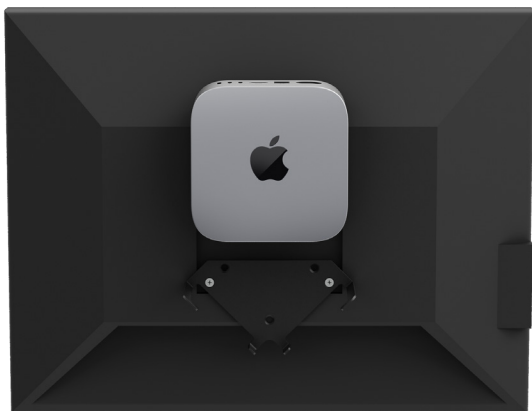

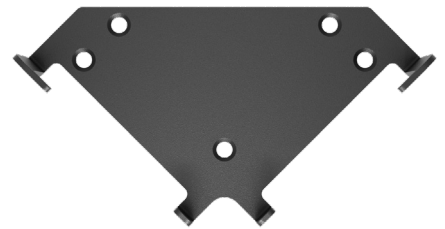

Effortlessly install your Apple VESA Mount

- Mount your Mac mini to the wall or behind a monitor
- Uses standard VESA pattern mounting holes, compatible with almost any monitor
- Includes necessary hardware for Apple VESA wall mounting
- Compatible with Apple Mac mini (M4, 2024) and Apple Mac mini (M4 Pro, 2024)

Non-Intrusive and Simplistic Design

- Single-piece design allows the Mac mini M4 to easily slide into place
- Open V-shaped design does not interfere with any peripheral ports
- Mount frame allows Mac mini to face any direction
- Built to last with durable 14 GA cold-rolled steel frame
- Durable and scratch resistant black powder-coated finish
