

Apple Mac Studio HyperShelf

115-8652

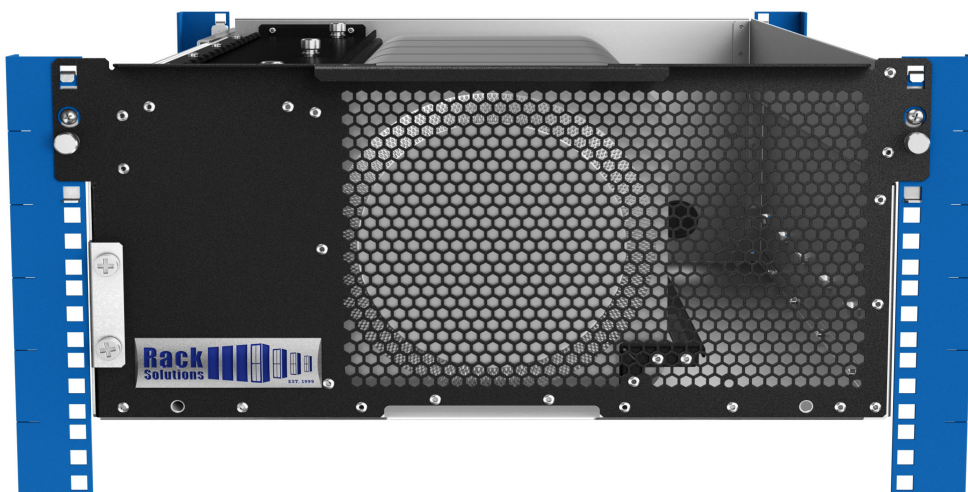

Designed for enterprise deployments and data center environments, the Apple Mac Studio HyperShelf allows you to rack mount 6 mac studios per 5U of rack space. This rack mount shelf provides a lower installation cost per device that doesn't interfere with the power button or peripheral ports.

We built the Mac Studio HyperShelf to perfectly optimize space and airflow so that your mac studios will last and perform. You will be able to increase scalability and decrease deployment times.

- Increases operational efficiency with limited space
- No power button or port interference
- 24" - 29" mounting depth range
- Built-in cable management for tie points/pathways
