

5U HyperShelf for 8 Dell Pro Max Micro

SKU: 115-9037

Designed for data center environments and enterprise deployments, the Dell Pro Max Micro HyperShelf allows you to rack mount 8 workstations per 5U of rack space. This rack mount shelf provides a lower installation cost per device that doesn't interfere with the power button or peripheral ports. We built the Dell Pro Max Micro HyperShelf to perfectly optimize space and airflow to enhance system performance and reliability. By using this rack shelf, you will be able to decrease deployment times and increase scalability.

Rack mount up to 8 Dell Pro Max Micro PCs per shelf

- Increases operational efficiency with limited shelf space
- Integrated airflow ducting for optimal cooling and thermal efficiency
- Supports more Dell Pro Max Micro desktops per rack than alternatives in the industry
- High-quality ball bearing slide rails with high capacity and full extension
- No power button or port interference
- 27" - 29.5" (685.8mm - 749.3mm) mounting depth range
